1974. Another year has elapsed in the life of the Pembroke State University student. Whether he is now to move on to a new life as a graduate or will be returning this fall for another bout with the Pembroke experience, we may all rest assured that the events of the past twelve months have done their share in the molding of that ingenious little creature we so casually refer to as the mind. And after all, isn't that what it's all about.

The Watergate affair, Spiro's descent, Nixon's campaign contributions and United States wheat sales, all seemed to substantiate the existence of a true "credibility gap" within our national political system. Mysterious erasures found on key Watergate tapes left our own inimitable Senator Sam Ervin and investigating committee wondering as to how much our President did know about the Republican Party's shenanigans during the presidential reelection campaign of '72. Spiro Agnew's manipulation of campaign contributions ultimately led to his resignation from the vice-presidency.

099580

Our own Student Government Association apparently was not to be outdone by the big leagues. The Coleman administration became involved in its own "Watergate"-like atmosphere as probing student senators fervently sought the what, why, and wheres on executive policy and expenditure. Our own version of the Washington Post, i.e. the "Pine Needle", intimidated Colemanites at every turn, hoping to bring, as they saw it, reform to our governmental system. Undaunted, Coleman succeeded in introducing to Pembroke State University such innovations as mealtime music in the cafeteria, casual movie nights in the Student Center, and Student Government Association subsidized inebriations at participating fraternity houses.

As in past years, the SGA was not the sole recipient of student wrath. Campus parking again ranked high on the list of student grievances, possibly being outdone only by the perennial student pain, SAGA food service. But this year our meal managers had their reasons. Decreasing student support and food prices were two commonly used explanations for the much criticized menus.

Food prices were plaguing our folks as well, with the Beef Crisis doubling the price of hamburger in just a few months. Lettuce reportedly sold for seventy-five cents a head in the North-East part of our country while bread threatened to reach one dollar a loaf, thanks to the United States' untimely sale of bulk wheat to the Russians less than a year ago.

Oil soon followed the cow up the spiraling price ramp. With gas prices pushing toward one dollar per gallon, many of us are trading those hot rods we've cherished since high school for a more austere approach to cruising, like a VW.

In the field of entertainment, we saw much transpire on both the national and campus level. The cinematic world was stimulated to new heights as lovely Linda Lovelace's oral interpretation in the controversial "Deep Throat" reached a new depth here-to-for unseen in the film medium. And Liz and Richard Burton had columnists feeling with a temporary split in their million dollar love affair.

Musically, the rock stage went theatrical with such glitterists as David Bowie, Alice Cooper, and Todd Rundgren gyrating in ways in which Mr. Presley never dreamed.

On campus we had our share of entertainment with regional groups frequenting our Student Center with a variety of sounds. The Lyceum Series established a new approach to intellectual enlightenment by presenting Buffalo Rob and Company. Also a diverse movie schedule of both current hits and all time classics brought frequent relief from the doldrums of academia.

Sports continued this year to be a growing national pastime with television coverage of sporting events reaching record proportions. An estimated 40 million people saw Billy Jean King defeat Bobby Riggs in what was billed as the "tennis match of the century". The Oakland A's defeated the New York Mets in a spectacular world series, while in the world of football the Miami Dolphins carried their record to 32-2 with a resounding defeat over the Minnesota Vikings in Super Bowl VIII. The Athletics Department at Pembroke State University turned out its share of champions with all the varsity teams turning in noteworthy performances.

And so it was, yet another year has elapsed in the life of PSUers. Its events spanned the spectacular to the trivial, but none the less it was an experience, a learning experience, and after all, that is what it's all about.

# INDIANHEAD CITATIONS

## Albert Dunavan

Through endless hours of preparation, rehearsals and productions, Mr. Al Dunavan has dedicated himself to student involvement and enjoyment. The numerous dramatic productions under his direction have opened an avenue of creativity and self-expression for aspiring actors.

## Ed Watkins

The multi-faceted Human Service Center's director has dedicated himself to several student-oriented programs designed to provide opportunities for field work training in various aspects of educational areas. Mr. Watkins' coordination of Earth Day activities and work with Zero Population Growth has awakened much of the university to prominent social and ecological problems.

## Dr. Chang H. Cho

Head of the Political Science Department since 1970, Dr. Cho has been internationally known through his work with the Institute of Asian Studies in Washington, D.C. and through his publications ranging from his editorship of the ASIAN FORUM and the Association of Korean Political Scientist Newsletter to the writing of two books dealing with government and politics in foreign nations. Dr. Cho is presently serving as Executive-Secretary of the Association of Korean Political Scientists.

On the northern end of the campus, construction began on the university's new auditorium. Throughout the year the burned-out shell of Old Main remained where it has stood since 1923. The building which once housed the first all-Indian College in the United States was seriously gutted by flames on March 19, 1973 following area Indian demonstrations. Old Main made newspaper headlines, was one of the top ten local news stories of the year, was visited by the governor, and has received thousands of dollars for research into its rebuilding. In spite of it all the building's future remained shrouded in indecision.

# OLD MAIN

North, South, West and Wellons halls offered on-campus environment for less than one-third of the student body. This number had the unique opportunity of hearing ten stereos at one time, crawling downstairs at four-thirty to let a roommate in a locked door, or the chance to get to know so many people so well.

To some of the residents, development of visitation policies seemed to move at a snail's pace,

with only the womens dormitories offering the privilege, while others were completely satisfied and content with the rules and regulations.

As usual, vocal gripes filled the halls: "the damn elevator breaks all the time", "those drink machines are thieves", and "the 'open floor' is rather silly", but the convenience and security offered by the buildings continued to lure residents.

ON THE  
ROAD

WITH  
THE  
COMMUTER

Their days began deep in darkness, in the early hours of morning. To some this was not the most preferable time to begin a school day even before the initiation of daylight-saving time. But to others, more than half the enrollment at Pembroke, commuting was a way of life, and seemed to indicate that its advantages outweighed or at least balanced the obvious disadvantages.

In many ways commuting was cheaper and many riders preferred living at home with their families rather than the sometimes less personal life of the dorm. Some students just wanted to be near the slightly larger cities of Fayetteville, Rockingham, Raeford and Lumberton.

Throughout the year though, the disadvantages remained obvious and were greatly increased by

the lessened supply of gasoline. The long hours, dinner everyday at Hardees, bad weather and road conditions, and isolation from campus events all seemed to have little affect on the transit student. Their contributions were sometimes questioned, but their perseverance deserved credit.

## Fall Festival

**Above** — Shortly after the crowning, co-emcees Beth Bingham, left, and Van Coleman congratulate the queen and her court. **Bottom** — Martha Blalock performs in her final evening as the retiring Miss PSU.

## Cynthia Brown reigns over Pembroke

As a climax of Fall Festival week, Miss Cynthia Brown was crowned Miss P.S.U. The junior psychology major from Lumber Bridge, N.C. was chosen from among eight contestants in the Autumn Leaves pageant. The SGA sponsored event packed Moore Hall auditorium as the campus lovelies entertained the audience. Sue Enzor and Cathy Lopez were named first and second runners-up, respectively.

THE NAME OF THE GAME

IS CERTIFICATION

For two hundred and fifty seniors, the college experience did not end with triumphant final exams or last semester coasting. Instead, student-teaching rounded out undergraduate education, fulfilling the final requirements for teacher certification.

Beginning with the four week block of methods and education courses, the program gave its participants a glimpse of the outside world and the view from the other side of the desk.

Despite the shortage of teaching positions in the past few years, the curriculum was thriving as students were assigned to seventeen different administrative units in the area.

## Norman Macleod Poet-in-residence

Norman MacLeod is a teacher, poet in residence, winner of the Horace Gregory award, and editor of the *Pembroke Magazine*.

A resume of his work and personal accomplishments would fill pages of single spaced typed copy. He has taught in more than twenty three various schools throughout the United States and in such places as the University of Baghdad, Baghdad, Iraq.

He has edited several magazines: 1930-32, American editor of the first tri-lingual literary magazine in the world, *FRONT* (Amsterdam, Holland); American editor of the *MORADA* (Lago di Garda, Italy); 1942-44, Editorial Director of the *MARYLAND QUARTERLY* (University of Maryland, College Park, Maryland); 1944-47, *INTERNATIONAL LITERARY REVIEW* (Briarcliff Junior College, Briarcliff Manor, New York); Guest Editor of *CRONOS* (Ohio State University, Columbus); and from 1969 to pre-

sent Editor of the *Pembroke Magazine* which is known internationally.

In addition to the number of literary magazines Norman MacLeod has been a part of during the past forty years and the teaching he has accomplished, he has managed to write and have published two novels and five volumes of poetry.

The papers of Norman MacLeod are housed in the Yale Collection of American Literature. He is included in the 1969 Edition of the *Directory of American Scholars*. MacLeod's reading of his poetry has been recorded on sixteen 12-inch discs for the archives of the Division of Music, Library of Congress, and his work is praised in *Literary History of the United States*.

MacLeod, who is completing his seventh year at P.S.U., and is approaching his 68th birthday, has no plans to retire. As he said, "a writer never retires."

## Players Present Wide Variety

Anticipating the completion of a new theatre, the Players continued to draw audiences in Moore Hall. Under the direction of Al Dunavan and Don Dalton the drama department filled the stage with varying moods and plots.

The musical comedy "Once Upon a Mattress" was the last production of the spring semester of 1973. Director Dunavan, facing the problem of a small stage and large cast, succeeded in making the medieval fairy tale an enjoyable presentation.

A standing ovation awaited the curtain on opening night of "Of Mice and Men". The John Steinbeck classic was the first production of the season. The timeless story of migrant farm workers offered emotional relief to those wishing to see serious drama. Director Dalton skillfully combined the constructivistic set and mood lighting to enhance what one critic called "one of the most ambitious productions yet of the Players of Pembroke State University, but one in which the dramatic gauntlet was lowered and the challenge met successfully."

**Right** — Sandy Hancock and Gary Smith played the romantic leads of Lady Larkin and Sir Harry in "Once Upon a Mattress". **Below** — On stage with "Of Mice and Men".

Above — In the opening scene of "Once Upon a Mattress" a young seeker of the prince's hand is questioned by the Court Wizard. Left — George, portrayed by Dwight Watson, relives the fantasies of "living off the fat of the land", with Lennie, played by Charles Hannibal.

**Top Left** — Despite just having returned from a weekend ski trip, Alan Baker, played by James Culler, and Peggy Evans played by Iva Rountree, find themselves, in a romantic mood, in "Come Blow Your Horn". **Top Right** — Paul Szumelda, Alan's fledgling brother Buddy Baker, finds the wordy script deserves backstage rehearsal. **Bottom Left and Right** — Dwight Watson portrayed detective Mark Bonner in the mystery "Laura", and found it necessary to question both Waldo Lydecker, played by Scott Baker, left, and Laura, played by Kim Rabun.

Neil Simon's "Come Blow Your Horn" filled the stage with comedy for the second production of the season. Al Dunavan guided the riotous New York family through their brotherly antics and parental hang-ups.

The mood shifted to mystery for the Players presentation of "Laura". Complete with murder, mistaken identity and romantic detective, it had all the makings for a successful "who-done-it".

**Below** — With a touch of nostalgia, Buffalo Bob Smith re-created the old Howdy Doody Show through film and song. **Right** — The gospel music songfest received an overflowing audience. **Bottom** — Before they were finished the Preservation Hall jazz Band had the crowd up dancing through their finale of "When the Saints Go Marching In."

## Lyceum Series Draws Enthusiastic Attendance

In a new and dynamic approach, the Lyceum Series afforded both campus and community with cultural and popular entertainment. The Lyceum Series events have met with enthusiastic support heralded as the best ever. This year's presentations have included Buffalo Bob and the old Howdy Doody Show, The Preservation Hall Jazz Band, National Players' version of "Tartuffe", and the opera "School for Lovers". Sybil Leek, self proclaimed astrologer and witch was different but disappointing to a sell-out audience. With "Spirit and Substance", a joint effort sponsoring seven Indian Happenings, the students and community experienced Indian art and culture.

**Top** — To jazz lovers and newcomers alike, the symbol of the Preservation Jazz Hall Band brought enjoyment to the Old Gym stage. **Bottom** — Moliere's classic comedy "Tartuffe" was the medium for a superb performance by the National Players.

## Greek Week 1973

In March of 1973 the Interfraternity and Panhellenic Councils held their annual Greek Week. With all sororities and fraternities participating, the week's events included parties at the Stable, picnics, concerts, and competition races. The Greek Week trophies were awarded to Kappa Delta and Pi Kappa Alpha, after they emerged from a tie with Tau Kappa Epsilon.

## Wanda Phillips

## Homecoming 74

Wanda Phillips was chosen as 1974 Homecoming Queen. The crowning of the senior from Fayetteville, North Carolina came midway through Homecoming week activities. Events of the week included three dances, the annual downtown parade, and a basketball victory over the University of North Carolina at Wilmington.

## Pre-Dawn Float Construction Halted

The annual Homecoming Parade proceeded this year in a somewhat incomplete manner. As in the past all campus organizations gathered for their all-night float decoration. This year's festivities encountered some rather difficult moments when several non-students arrived attempting to completely destroy floats undergoing construction. When the dust settled students were faced with the impossible task of repairing their floats. Many floats entered the parade with obvious battle scars still remaining.

Because of the previous night's turmoil the SGA was forced to relocate their predawn dance, being previously scheduled outside of town, it was transferred closer to campus for security reasons.

## Cheerleaders Sponsor Spirit Award

The Cheerleaders incorporated a new idea into their routine this year, that of the "Spirit Award". This award was presented at each athletic event to the campus organization displaying the most school spirit. The overall award winner was Tau Kappa Epsilon Fraternity.

Year after year the Cheerleaders seem to fight an endless battle. This year was no different. In efforts to involve students, our cheerleaders worked energetically to promote enthusiasm within the crowds, but more often than not failed to do so. This fault cannot be attributed to the Cheerleaders but to the apathetic student body of the school.

## '73 Baseball finishes Fifth in Nation

In the Spring of 1973 behind the pitching of Ron Norman, the Baseball team finished fifth in the nation. Last season Norman pitched eight shut-outs and compiled a record of twelve wins and only one loss. The All-American set a school record of twenty-one strike outs in one game and finished the season with two hundred strike outs, a national record. Behind Norman was Ronnie Rudd, a Gene Walden Award winner and also an Academic All-American pitcher. His record last season was eight wins and no losses. Team leader in batting was Rudy Rudacille with an average of .368. Rudacille, an All-American Honorable Mention, signed with the Chicago White Sox at the end of the season. All-District players included Buz Dunlap, Ron Norman, Rudy Rudacille, and Ronnie Rudd.

## Complete Pitching Staff Returns

Returning this season was the complete pitching staff, with the addition of Steve Powell, a transfer from Campbell. Mike Johnson and Steve Welburn shared the catching position and at first base was Wayne Pyrtle, the most valuable player of the Summer League program. At second base was Nelson Swift and Jerry Walters. Returning to shortstop was Dave Callahan. Darrell Arrington, a transfer from Sandhills Community College, was at third base. Outfielders included Pete Preston in left field, Terry Oxendine in center, and Tim Hawks in right field. The team gained experience from last season and looked forward to a return trip to the national championship.

## Cross Country Captures Fourth Title

A perennial powerhouse in District 29 competition, the Pembroke squad captured their fifth title in the past six years. In the District 29 championship meet, Victor Elk paved the way by setting a new District record of 24:48. In winning, the Braves compiled a perfect record of fifteen, over all opponents.

Other titles bestowed upon this championship team were winner of the Stone Mountain Road Race, which consisted of competition among nineteen schools; winner of the PSU invitational, in which eight schools participated; and with a powerful performance finished third in the State Championships behind Duke and the University of North Carolina.

Veterans Marion Craddock, Victor Elk, Bill Farrell, Rod Lattie, and Craig Callio were named All-District runners.

In the NAIA National Championships at Salina, Kansas, Victor Elk finished ninth in a field of 450 runners. His ninth place finish on a tough course at 24:25 earned him first-team All-American honors.

**District 29 Champs** — Steve Carney, Rod Lattie, Pat Newbill, Craig Callio, Marion Craddock, Jeff Cushing, Jim Fitzgerald, Bill Farrell, Victor Elk

## Wrestlers Take Braves Invitational

For the wrestlers the highlight of their season was winning the Braves Invitational Tournament. This event was held January 26 in Jones Health and Physical Education Building. There were eight teams participating: Campbell, Elon, Catawba, Winston Salem, Citadel, North Carolina A&T, Elizabeth City State and Pembroke State. The Braves finished with four first places, three second places and one fourth place. Taking first place were Matt Lynch, George McFadyyn, Mike Edwards and Bob Hudkins. Matt Lynch was voted outstanding wrestler in the tournament.

The Grapplers opened their season by winning the Old Dominion Thanksgiving Tournament. The tournament began a series of wins for the Braves. The first defeat for the Braves was a hard fought match with Appalachian.

Although the Area Tournament has been expanded this year to include 14 teams, the Braves anticipate a first place finish.

The best records are held by captains Larry Bridgewater, 23-4-1 and Bob Hudkins 19-4.

## Track and Field Championship Captured again

Track and field Championships are habitual at Pembroke State University. Last spring the 1973 squad won their sixth district title in the past eight years. Pembroke's team was led by all-Americans Dave Phillips and Victor Elk plus fourteen all-district performers.

School records were set last year by Dennis Graham in the long jump, Dave Phillips in the high jump, Victor Elk in the mile, 3 mile and 6 mile, and Larry Rodgers in the high hurdles and 440 yard hurdles.

**Front** — Woody Doye, Larry Martin, Jerry Stancil, John Battle, Les Freeman, Rod Lattie, Victor Elk, Larry McMillen, Dennis Graham, Jim Fitzgerald, Craig Callio, Larry Hunt. **Back** — Don Riddle, Richard Finger, Wayne Douthit, Jeff Cushing, Jim Smith, Tom Nielsen, Bruce Wolfe, Donald Stockton, Tom Grey, Dennis Jones, Jeff Fish, Bill Ferrel, Steve Carney.

## Soccer Team Finishes in Strong Position

Behind outstanding play by John Student, the Braves finished their season with a 5-6 won-loss record and 4-3 District record, tying for third place.

John Student, All-District selection, shared the scoring honors with teammates Gary Dwyer and Eric Ricioppo with six each. Student also finished as the team leader in scoring assists, with five.

Individual honors went to Mike Coward as Best Defense, Gary Dwyer as Best Offense, and Mike Kelly as Most Improved.

Under the direction of head coach Mike Olsen, the Pembroke Soccer team showed a distinct improvement over the past years, with John Student capturing All-District honors and Tim Kinlaw named second team goalie in the District.

## Pembroke Takes Tip-Off Tournament

The Pembroke State University Braves made a repeat performance in capturing their second consecutive Tip-Off Tournament in the Cumberland Memorial Auditorium. In as many years the Braves have received the most Valuable Player Award, with this year's selection going to Al McRae, who paced Pembroke with a 25 point performance in each outing. Al McRae and Everett Hambric were named to the All-Tournament Team.

## Braves Continue Winning Ways

After a long and tough season the Braves emerged with their second consecutive District 29 championship. Finishing their regular season with a 22-6 record, the Braves entered District Tournament play on a positive note after winning their third straight game with rival Campbell College. This year's team was led by high scorer Alphonzo McRae, scoring at a rate of twenty points per game.

Rebounding strength was provided by Sonny Davis, Everett Hambric and Howard MacLeod. A Freshman standout, Tom Gardner, proved to be a valuable asset to the team throughout the season. Games ranged from easy victories over St. Andrews to disappointing losses such as to UNC Asheville. After the smoke cleared, the Braves came out the victor over UNC Wilmington 71-70, in one of the hardest fought games of the season.

## Women's Sports experience growth

For the first time in the history of Pembroke State University, women received a taste of inter-collegiate sports. A volleyball team was formed and the girls basketball team began their first official season. The girls demonstrated their sport with much enthusiasm. They lacked only in experience.

Early in the season, the volleyball team hosted the State Volleyball Tournament, won by Western Carolina. The volleyball team started the season with losses but towards the end of the season defeated Guilford College. The Basketball team launched their season with a victory over St. Andrews but were unsuccessful in their remaining games.

Both teams worked remarkably well together and displayed a marked improvement by the end of the season. With all starters returning, next season should hold more promising results.

## Tennis Team Hot in Pre-Season play

The 1973 Tennis team boasted the best record ever in the history of the school. They finished the season with an outstanding 7-4 record, but were set back in tournament play by the toughest team on their schedule, East Carolina.

The Braves were outstanding in '74 preseason by out-scoring Francis Marion, NAIA rival, twice with a score of 7-2.

In the number one spot is captain Doug Eller. Sonny Garner also played an active role in the team's fine performance. With four experienced juniors in top positions, Coach Johnson feels he will have a most successful season.

## ATO's place three in Who's Who

Alpha Omega Upsilon, a colony of Alpha Tau Omega, named three brothers to Who's Who; John Student, all-District Soccer, David Callahan, captain baseball and Brian Beasmore, all-District Wrestling.

Alpha Tau Omega's biggest event of this year was the acquisition of a Fraternity lodge. This spacious building supplies the brothers with many good times and is reminiscent of home life.

Three brothers of Alpha Tau Omega received awards during soccer season: Captain Gary Dwyer was chosen as Best Offensive Player, Mike Coward was selected as Best Defense and Mike Kelly was chosen as Most Improved.

During Christmas vacation the brothers of Alpha Tau Omega donated eight hundred dollars in food to needy families.

## Pika's dwell on service

Pi Kappa Alpha conducted more service projects than any previous year of their campus existence. They included a donation of two hundred dollars to the Odum Home, money to the Cerebral Palsy fund, and sponsoring needy families at Thanksgiving. The brothers further expressed their desire to serve by donating blood to Frank White, a member of the North Carolina House of Representatives.

Jerry Domenick, Russel Regenhardt, and Frankie Barret attended Pi Kappa Alpha's Leadership Academy in Memphis, Tennessee. Eight members also attended their Pyramid Conference in Atlanta, Georgia.

An important addition to the fraternity was the organization of Little Sisters.

## Pi Kaps work for foster children

Pi Kappa Phi highlighted their year by collecting funds for the foster children of Lumberton. Also, in the order of fund-raising, the brothers helped in the purchasing of artifacts for the Religion Department.

Four members of the local chapter attended Pi Kappa Phi college, a seminar discussing chapter management and rushing.

Two brothers, Danny Elkins and Ronnie Rudd, were selected to Who's Who. Rudd was also selected as a scholastic All-American and as the recipient of the Gene Waldren Award. Ron Norman was chosen as a first team all-American in baseball and was also selected to participate in the Pan-Am games held in Managua, Nicaragua.

## Tekes add to fraternity house

Tau Kappa Epsilon completed the addition of an entertainment and game room, doubling the size of their Fraternity House.

Service projects of Omicron Delta chapter involved their annual Christmas Toy Drive. This function is conducted in cooperation with WFMO radio station of Fairmont to provide a merry Christmas for needy families. Throughout the basketball season the Fraternity continued to publish and distribute programs for each home game.

TKE excelled in athletics as Bob Hudkins garnered All-American honors and Larry Bridgewater placed seventh in the nation in the 1973 NAIA Wrestling Finals. Sonny Davis, Jesse Preddy, and Barry O'Brien held starting positions in basketball. Bob Bradley (Captain) and Pete Brayda were members of the Soccer team. Robin Alexander, Indianhead editor and Sonny Davis, Junior Class President were selected to Who's Who.

## Tau Sigma Nu serves community

Tau Sigma Nu's number one project of the year was that of clearing the grounds of the North Carolina Cancer Institute located in Lumberton, North Carolina. Another venture of the fraternity was sponsoring needy families during Thanksgiving and Christmas.

During the summer the brothers participated in an athletic program by sponsoring a little league baseball team.

Two members of Tau Sigma Nu were varsity athletes on the soccer team, Ron Thompson and Lenny Plumber. Ron Thompson also won karate titles in the Brown Belt Division, Tri-State champ, District two, and the Southeastern title.

## Zeta's work with Odum Home

Zeta Tau Alpha sorority gained much recognition through organizing and participating in a Water Safety Program, consisting of demonstrating to young children the values of water safety. A tremendous amount of time also was spent on the teaching of fundamental swimming skills.

Zeta Tau Alpha again proved their capabilities by aiding the Lumberton Jr. Women's Club during Monte Carlo night in soliciting funds for the construction of a new public park.

Zeta's Debbie Wiseman and Ida Kivett attended the international workshop held in Knoxville, Tennessee. This workshop dealt with leadership, chapter management and rush.

Caroline Wilson was selected to Who's Who in American Colleges and Universities.

**Upper Center** — Zeta Tau Alpha President Debbie Wiseman addressed installation banquet, among whose guests was Chancellor English E. Jones, Right. **Above** — The many faceted water safety program included back floating, as demonstrated by Cindy Goins.

## KD's work to aid the blind

Kappa Delta's major activity of the year was the White Cane Drive. This project is conducted in conjunction with the Lion's Club in raising money to aid the blind. Also, each month Kappa Delta sponsored special activities with profits going to their National Philanthropic Project. At the onset of the fall semester Kappa Delta donated money

to scholarship funds for deserving students.

One sister was named to Who's Who, Miss Jeannie Jo Bell. Four sisters reigned as Fraternity sweethearts. They are Marty Brown, Tau Kappa Epsilon; Toni Roberts, Pi Kappa Alpha; Wanda Phillips, Pi Kappa Phi; and Sue Enzor, Alpha Tau Omega.

## Tri Sig stages Mr. Homecoming

During the 1974 Homecoming festivities, Sigma Sigma Sigma offered a lighter moment to spectators and participants by staging a Mr. Homecoming pageant. All clubs and organizations were eligible to enter contestants.

As a service to students, Tri-Sigs offered themselves as advisors to freshmen and transfers. The sisters also worked as guides of tours for high school students.

Bake sales were conducted each month with the proceeds going to the Robbie Page Memorial Fund, their national philanthropic project.

Phi Mu Sisters include: Vickie West, Dee Dee Hunter, Linda Pittman, Jov Wrench, Pam Ballard, Beverly Weeks, Susan Bovette, Linda Record, Kav Pasko, Marsha West.

## Phi Mu sponsors '73 May Day

Phi Mu, through sponsoring their annual May Day celebration, raised three hundred dollars for the fight against Cerebral Palsy. The festivities included the crowning of the May Queen and an outdoor supper. In support of their National Project 'Hope', Phi Mu conducted several bake sales.

In the spring of the year the sisters showed their support of the track and field athletes, offering refreshments and encouraging spectators.

## Panhellenic Council

With the beginning of his term as Student Government President, Van Coleman's main goal was that of "reform". He proposed a program of progressive reform that involved different and new types of entertainment for the student body. His office provided a new P.A. system to the student union with such features as student-oriented WQDR, a Raleigh FM radio station. Further accomplishments included that of an athletic equipment check-out system which provided students the opportunity to obtain various types of equipment. This innovation was of considerable importance for in the past students had to provide their own. Weekend entertainment was projected as a goal of his administration but failed to fully materialize. In order to bring the "flavor of the real cinema" to campus, he moved movies from Moore Hall to the student center. Because of a very limited budget, entertainment features such as well-known groups were unobtainable. In order to compensate for this misfortune, a program of SGA-organization co-sponsored parties was initiated. At conception this idea was well-received, but eventually it was realized that only a small faction of students benefited from this program and it was abandoned.

In the latter part of the fall semester the Student Senate established an Audit Advisory Committee with the sole purpose of ascertaining whether misuse of student government funds had occurred. After a long and diligent search, the committee reported several violations on the part of SGA Executive office.

What subsequently followed was the president's removal from office. Gary Murry stepped up to fill the vacancy of the Presidency with Warren Baker moving up to the Vice-Presidency. With this sudden promotion the executive branch introduced a new idea for campus dwellers, "The Coffee House". This event met with enthusiastic support with student talent, both musical and dramatic, holding the spotlight.
